

OBITUARY

Peter Rubendall was born at Orangesville, Ill., February 11, 1850, and died at his home in Alliance, May 13, 1915, at the age of 65 years, 3 months and 2 days.

On June 14, 1882, he was united in marriage to Miss Anna Matter, at Orangesville, which was also her home, and to this union two children were born, both boys. In 1886 they moved to Madison, Neb., where he entered the banking business, and at which place he was president of the First National Bank for twenty-three years. In 1909 they moved to Alliance, Mr. Rubendall becoming interested in the real estate business, and two years later he purchased the Alliance hotel, which he owned until the time of his death.

In January, 1914, he suffered a severe stroke of paralysis and apoplexy, and he had been an invalid since that time, his health gradually failing until about two months ago when he underwent a complete breakdown, and since that time it had been seen that he could not recover, although every human agency was employed.

He was a man of kindly disposition, and his friends were numbered by his acquaintances, of which he possessed thousands. He was a member of the Presbyterian church and of the Masonic Blue Lodge at Madison, and was a member of the Knight Templars at Alliance.

Funeral services were conducted from the Presbyterian church last Friday morning by Rev. McIntyre, the escort being composed of members of the local Knight Templar lodge. After the services, the remains were escorted to the station and were taken to Lincoln for interment, which occurred Sunday morning at that place.

The body was accompanied from here by the widow and the son, Ward. At Lincoln they were met by a brother and a sister of the deceased, who had come from Orangesville to attend the funeral, which was conducted by the Lincoln Masonic lodge.

Besides the widow, and the two sons, Ward, of Alliance, and Dr. Clarence Rubendall, of Omaha, he leaves to mourn his death four brothers and five sisters.

Some Forms of Rheumatism Curable

Rheumatism is a disease characterized by pains in the joints and in the muscles. The most common forms are: Acute and Chronic Rheumatism, Rheumatic Headaches, Sciatic Rheumatism and Lumbago. All of these types can be helped absolutely by applying some good liniment that penetrates. An application of Sloan's Liniment two or three times a day to the affected part will give instant relief. Sloan's Liniment is good for pain, and especially Rheumatic Pain, because it penetrates to the seat of the trouble, soothes the afflicted part and draws the pain. "Sloan's Liniment is all medicine." Get a 25c bottle now. Keep it handy in case of emergency.

TEN YEARS AGO

From the Files of The Alliance Herald of May 18, 1905

Monday night at a well attended mass meeting, steps were taken to properly celebrate the Fourth in Alliance this year, and no expense will be spared to have it eclipse any former celebration. The eagle's scream will be heard from Broken Bow to Billings. There will be races and sports galore, and all will end in a blaze of glory by a pyrotechnic display such as has never before been attempted in the Northwest.

A permanent organization has

OLD-TIME COLD CURE— DRINK HOT TEA!

Get a small package of Hamburg Breast Tea, or as the German folks call it, "Hamburger Brust Thee," at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teacup full at any time during the day or before retiring. It is the most effective way to break a cold and cure grip, as it opens the pores of the skin, relieving congestion. Also loosens the bowels, thus breaking up a cold.

Try it the next time you suffer from a cold or the grip. It is inexpensive and entirely vegetable, therefore safe and harmless.

RUB RHEUMATISM FROM STIFF, ACHING JOINTS

Rub Soreness from joints and muscles with a small trial bottle of old St. Jacobs Oil

Stop "dosing" Rheumatism. It's pain only; not one case in fifty requires internal treatment. Rub soothing, penetrating "St. Jacobs Oil" right on the "tender spot," and by the time you say Jack Robinson—out comes the rheumatic pain. "St. Jacobs' Oil" is a harmless rheumatism cure which never disappoints and doesn't burn the skin. It takes pain, soreness and stiffness from aching joints, muscles and bones; stops sciatica, lumbago, backache, neuralgia. Limber up! Get a 25 cent bottle of old-time, honest "St. Jacobs Oil" from any drug store, and in a moment you'll be free from pains, aches and stiffness. Don't suffer! Rub rheumatism away.

been effected that will insure the proper memorial day observance this year, and forever after, as the organization is formed to perpetuate an association whose object it will be to commemorate the day. The officers-elect are: Ira E. Tash, president; Smith P. Tuttle, vice president; D. W. Hughes, secretary.

Charlie Tully has been up from the ranch the past few days, calling on stock inspector Campbell, with reference to dipping.

The public was surprised Monday to learn of the sale of the Reck block to C. E. Marks, the consideration being \$3,500, and the Marks Saddlery Co. now owns and occupies their own building. W. W. Norton also sold the two vacant lots on the corner of Box Butte avenue and Cheyenne to Sang C. Reck, the consideration being \$3,700.

Part of the goods stolen from "The Right" clothing store some time ago was recovered Saturday. P. Romig, who works in the Burlington yards here, found a new suit case in an empty box car, where the thieves no doubt left it, as it was too bulky, and in it was about \$30 worth of the stolen stuff, and most of it had been worn some or tried on, perhaps. No trace of the robbers so far.

The high school boys are organizing an athletic club.

Frank Ankeny was called to Clinton, Iowa, last Saturday to attend the funeral of Dwight Lamb, president of the Star Live Stock company, of which Frank Ankeny and Chas. Tilly are members. Mr. Lamb was here less than a month ago on a shooting trip. His death was caused by falling off a lake boat and before he could be rescued was drowned.

Master Russell Norton is slowly improving from his serious attack of inflammatory rheumatism.

The Modern Woodmen of America have leased the hall in the Marks block where their meetings will be held in the future.

FINE SEED POTATOES

Have a car of Minnesota Red River Ohio seed potatoes ordered. They are free from scab and dry rot. Each farmer should get enough to plant five acres this year. It will not cost you much to get enough for five acres and it will pay you big to get pure seed that command a better price on the market when you raise them to sell. I have given Mr. Seidel a sample of this seed. Ask him his opinion on this seed and to show you the sample. Place your order with me at once for your amount. Delivered price if taken off the car is 90 cents per bushel sacked.

WORTHAM SHOWS BEST

Governor Ferguson of Texas Says It Is Greatest Attraction of Its Kind in the World

"I think the Wortham Shows form one of the best attractions of its kind in the world," said Governor Ferguson last night after having attended the carnival. "I have attended a number of carnivals and shows in Texas and I can conscientiously say I think the Wortham Shows are the best I have ever gone to. It is a clean, high class, moral organization with nothing at which the most fastidious could become offended. Men may feel safe in taking their wives and children to this carnival."

The governor spoke highly of the horse show. He said some of the horses would compare favorably with the best Arabian or European animals.

The Philippine Midgets were worth anyone's time, he said. The children, especially, he thought, should see these.

The most instructive show on the grounds in the governor's estimation, and one of the most instructive he had ever seen, was the miniature Panama Canal. People who are unable to get to Panama should make an extra effort to see this show, he said. They can learn more about the canal by seeing this show than they can by reading several books, said the governor. He said he could not say too much about this show in particular.

All the other shows, he said, while not as instructive as those mention-

ed, are all good amusements and will entertain the most sober people. The governor said that he would recommend the carnival to anyone who was seeking wholesome amusement.—Austin (Texas) American.

YES! SECRET TO DARKEN GRAY HAIR

Give back color, gloss and thickness with Grandma's recipe of Sage and Sulphur.

Common garden sage brewed into a heavy tea, with sulphur and alcohol added, will turn gray, streaked and faded hair beautifully dark and luxuriant; remove every bit of dandruff, stop scalp itching and falling hair. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the ready-to-use tonic, costing about 50 cents a large bottle, at drug stores, known as "Wyeth's Sage and Sulphur Hair Remedy," thus avoiding a lot of fuss.

While wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared. After another application or two your hair becomes beautifully dark, glossy, soft and luxuriant and you appear years younger.
